

Step 1: Tap My Work Orders

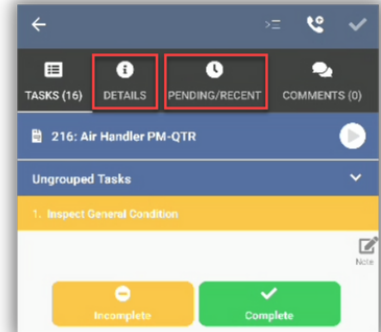

Then the PM Banner

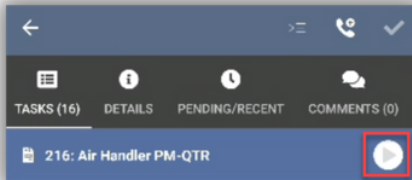

Step 2: Tap to open and view the PM Task List

Details and Pending/Recent provide more information

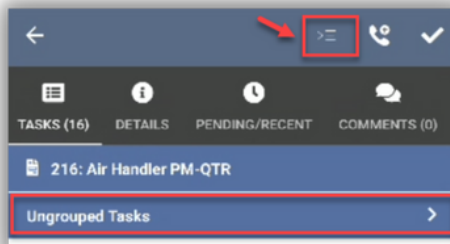

Step 3: Press Play to start the PM

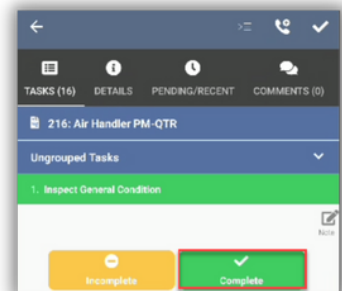

Tasks can be grouped by:

- Ungrouped List
- Grouped by Sublocation

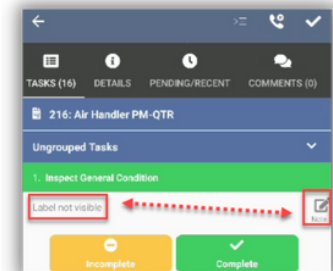

Quick Collapse: compresses sublocation banners; Expand using the banner arrow

Step 4: When the work is done, mark each task complete

Add notes, if needed

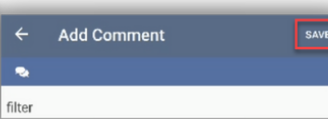

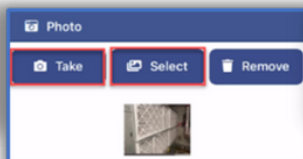

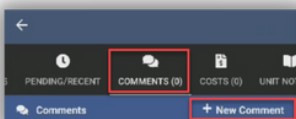

Step 5: Add Comments/Photos

Tap New Comments

Take a Photo or Select from Gallery

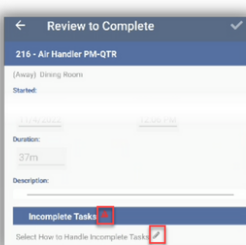

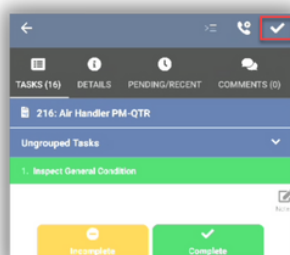

A comment is required when adding a photo

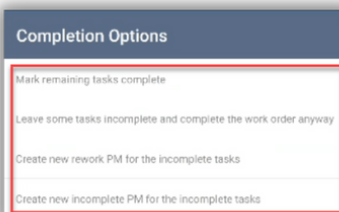

Save

Step 6: Tap Checkmark to Review

A warning will appear if any tasks are left incomplete

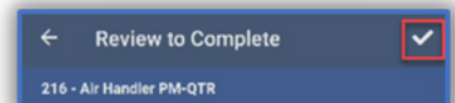

Tap the pencil icon to resolve

Select action from list

Step 7: Tap Checkmark to complete

Success! Tap OK
