

Step 1: Log into AsgardMobile using your Asgard username and password

Note: If you don't know your login credentials or can't remember them, contact us at support@asgardsoftware.com

Step 2: AsgardMobile opens displaying your site and your name

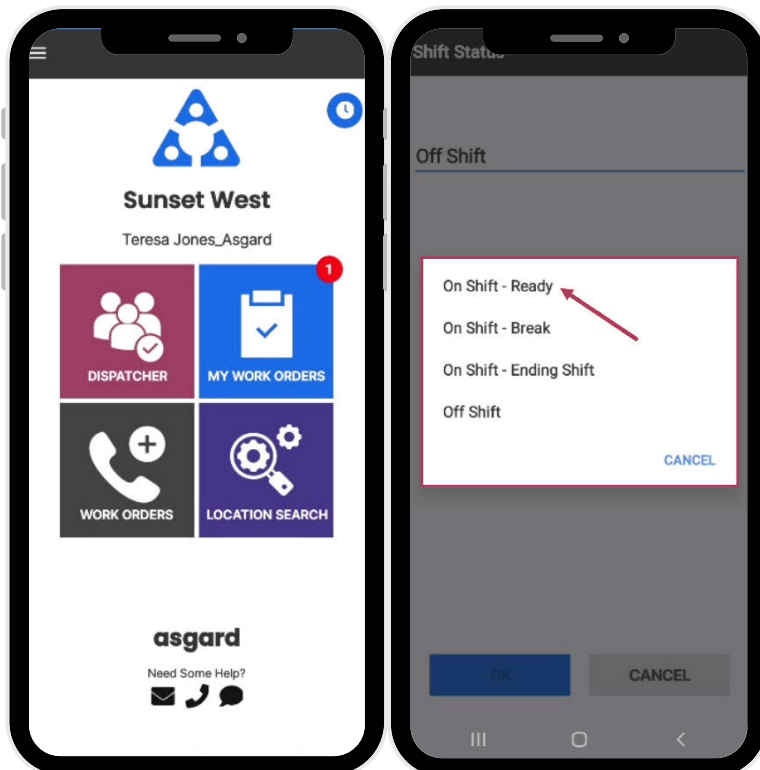

Need Help?

Contact Customer Support by email, phone, or text

Step 3: The **Manage Shift** button is the **Clock** within a blue circle and enables you to change your status from **Ready** to **On Break**, **Ending Shift**, or **Off Shift**.

Tap the clock to open the Shift Status screen. Select your status

On Shift-Ready: First thing you do is put yourself in **On Shift-Ready** status to receive work orders

On Shift-Break: Provides a courtesy timer to let you, the system, and front desk know how long you have been on Break

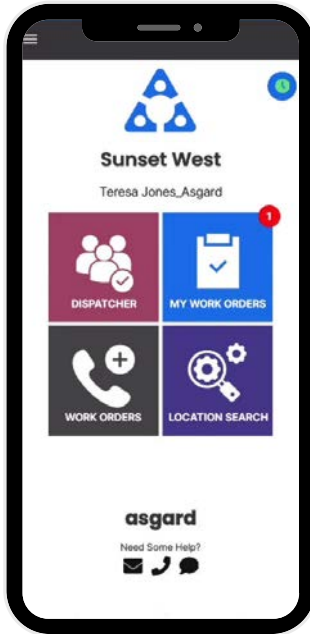

On Shift-Ending Shift: Recommended 15 minutes before you leave for the day, allowing you to finish up your work

Off Shift: Make sure you change to Off-Shift **before** you log out for the day

Step 4: The four tiles allow you to navigate to different features and functionalities

My Work Orders - shows the number of work orders assigned to you, including Standard, PMs, and Inspections. It's your one-stop place to track and complete your work orders.

Dispatcher - is permission-based and designed to grant users dispatcher capabilities and work order management from within the mobile application.

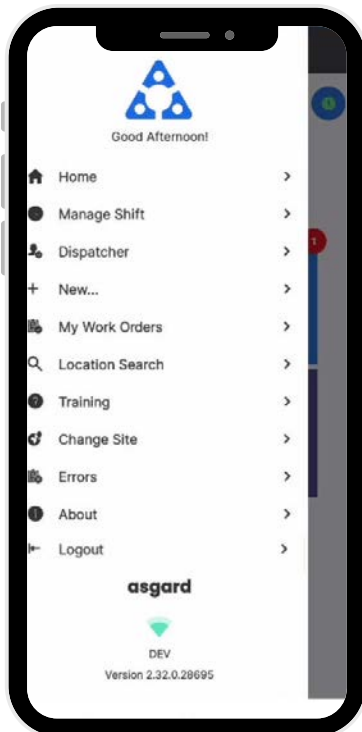

New Work Order - allows you to create a new work order directly from the Home Screen

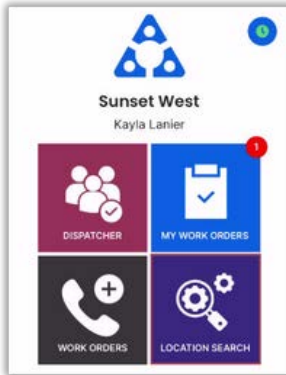

Location Search - allows you to search all types of work orders for a specific location and provides filter options to narrow your search

Step 5: The **Hamburger Menu** includes all of the options from the Home Screen, plus a few more, including:

- The ability to create a **Standard** or **Inspection Work Order** by tapping on **+ New...**
- The option to **Change Site**, to access your training site, or if you have permissions for multiple sites.
- **About** is a convenience feature that includes the AsgardMobile version number and OS version of your device. This information is helpful if you need to call Support.
- **Logout** logs you out of the application but does not take you Off Shift. Remember to put yourself in **Off Shift status before you log out!**

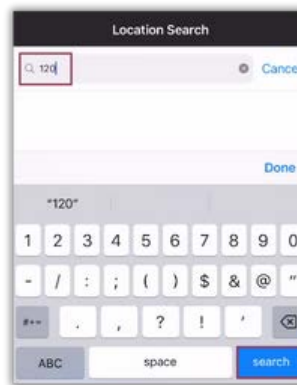

Step 1: Tap **Location Search** on the Home Screen.

Step 2: Tap the **Pencil** to search for a location.

Step 3: Type the first three characters of the location and tap **Search**.

Step 4: Tap on the **Location** you're looking for.

Step 5: Enter your search parameters:

- **Begin Entry Date & End Entry Date** defaults to the last 30 days—adjust as needed

Use the on/off toggle buttons or tap the banner headings to either select or deselect all.

- **Type:** Filters for Standard Work Orders, Inspections, PMs or All Types
- **Status:** filters for Incomplete, Complete, Cancelled, Expired, and Superseded
- **Department:** Provides filters for Housekeeping, Engineering, Activities, etc.

Step 6: Tap **Search** after all parameters have been chosen.

Step 7: Banner headings will separate Work Orders by their **Status**.

Open any work order to view details such as:

- Notes
- Comments
- Photos

Tap the **Banner** to view the work order list.

Step 8: Tap the **Reset** symbol to reset to the default parameters. **Defaults are:**

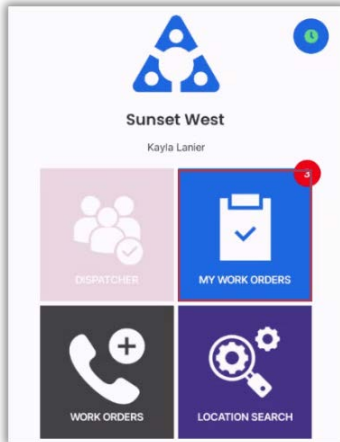

- Last 30 days
- **Type:** Standard Work Orders
- **Status:** Complete
- Your Department

Note: If no results match your search criteria you will get a message letting you know.

Step 1: Tap My Work Orders

Red Circle indicates the number of work orders assigned to you

Step 2: Blue banners divide **Supertypes**

- Standard Work Orders
- Inspections
- PM's

Sorted by **Priority**

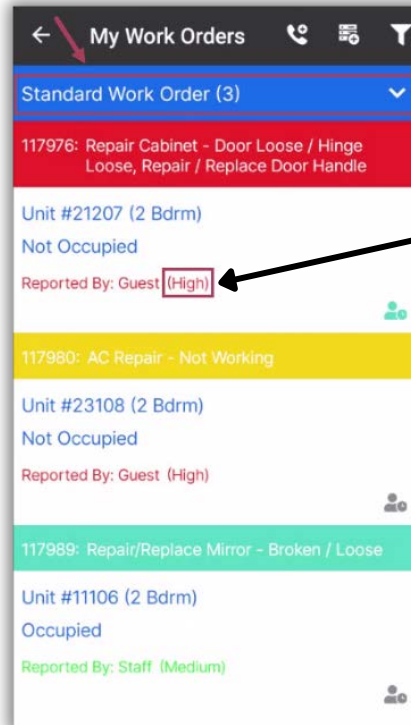

And by **Status**

Black : Rework Status

Red : Overdue Status

Yellow : Due Status

Green : OK Status

Step 3: Work Order quick view shows:

- Work Order ID
- Task Name
- Location
- Reported By

Best Practices:

- **Guest** reported Work Orders designated by **red** take priority over **Staff** reported designated by **green**.
- **Overdue** Work Orders take priority over **Due** or **OK**

Step 4: Tap on a Work Order to open it and view more details

- Comments
- Work Order Details
- Sublocation
- Notes

Icon Definitions

Create a new Standard Work Order

Assign/Reassign (permission based)

Start Work Order

Step 1: Tap **My Work Orders** from the Home Screen.

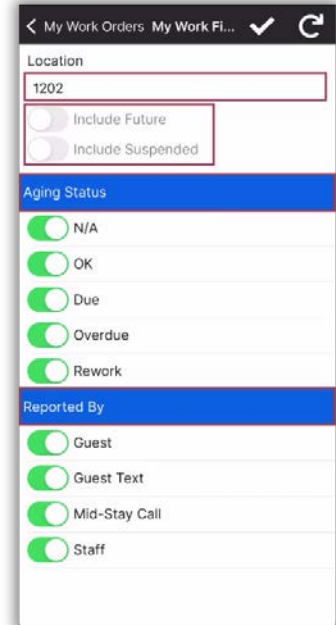

Note: If you do not have the Dispatcher permission the tile will be disabled.

Step 2: Tap the **Funnel** to open the **Filter** Screen.

Success! Tap OK.

Success

Way to go! Your work order is complete!

OK

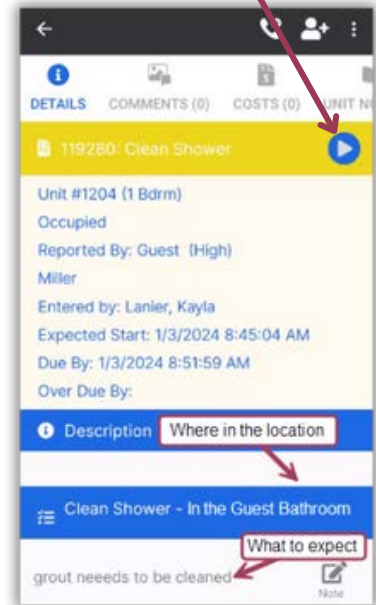

Step 1: Tap My Work Orders.

Open a Work Order.

Step 2: Work Orders must be Started in order to be Paused. Tap the Start icon.

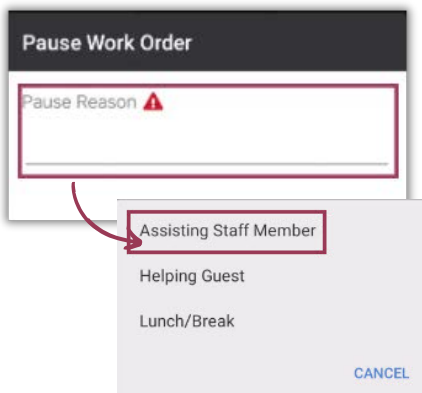

Step 3: Tap the Three Dots to pause the work order.

Then select **Pause** to pause **work time**.

Step 4: Select a Pause Reason.

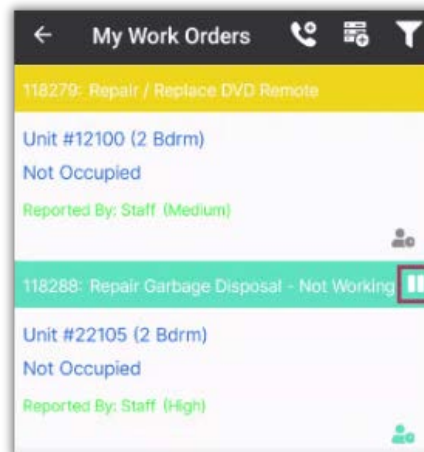

Tap **Pause**.

If there are *no* Pause Reasons listed, your organization has elected not to allow the Pause functionality

Step 5: Paused Work Orders will be marked by the Pause symbol on the Work Order's banner.

! Since the Pause feature **only** **pauses work time**, work orders **can** go overdue during the paused period.

Step 6: To resume the Work Order, Tap the **three dots**.

Tap **Resume**.

Tap **Yes** to Confirm Resume.
