

Follow the steps below to send SMS (text) messages from the Directory in the main Desktop application to a user's mobile phone. SMS messaging from the Asgard Desktop Application is only available for U.S. cell phone numbers. For users with international mobile numbers, we can use the SMS Gateway email address (i.e. 44123456789@orange.uk) to send Asgard notifications via text message. For assistance with SMS text messaging or the Asgard Directory, please contact support@asgardsoftware.com.
